Crooked Lakers Burn Over County Actions In Building Tag Row

Give Supervisor Van Patten 30 Days to Deliver Opinion of Deal

Burned over the apparent over-efficiency of a county building inspector who demanded building permits for temporary stands used at a carnival that was already over, members of the Crooked Lake Oaks Improvement Assn. at Lake Villa have sent a written "protest" to David Van Patten, chairman of the county board of supervisors.

And just to make sure that the word gets around as to how they were treated, copies of the letter were sent to H. J. Carlson, building officer; W. J. Murphy, nominee for the state House of Representatives; Jack Williams, chairman of the Lake County Republican Central Committee; Improvement Associations at both the west shore and east shore of Crooked Lake, Deep Lake, and Venetian Village; to the Waukegan News-Sun and the Antioch News; to Lake Villa and Antioch Township Committees; Sheriff Walter Atkinson; Chief Deputy Stanley M. Christian, Republican candidate for sheriff; a Saturday news columnist, and others.

Signed by Charles H. Anderson, committee chairman, and J. G. Fath and Herman Metz, committee members, the letter states the following case:

The Crooked Lake Oaks Improvement Assn. held its annual carnival on July 3 and 4 to obtain funds for road maintenance, to which the county and township do not contribute.

The letter says that five or six temporary stands were set up on the grounds at Deep Lake Rd., with some of the stands merely consisting of carpenter's saw-horses with planks across them for displaying bake goods.

About two weeks after the carnival was held, the association men charge, Charles Berger of the county Building and Zoning Department came and demanded a building permit of \$2 per stand.

The protest letter points out that a federal permit for beer had been obtained for the benefit event, the sheriff's office had issued a permit for a fireworks display, and Township Supervisor Ed Tiede had assisted the improvement association in obtaining the permits.

"What other kinds of permits are we expected to obtain?" the carnival committeemen ask of Van Patten.

"With all due respect to your sworn duties as representatives of the people of Lake County, do you feel that we (or others of our kind) have violated the intent of the Lake County Building and Zoning Department ordinances?" is the challenge put forth.

The committeemen, in their letter dated Aug. 12, give Van Patten exactly one month in which to reply.

Air Force Recruiters Open Antioch Offices

Due to the recent expansion of the U. S. Air Force, a recruiting station will be established in the Antioch Village Hall for the convenience of young men and women desiring information regarding opportunities in that branch of service.

Scheduled to be in the Village Hall each Friday from 1:30 to 4:30 p. m. will be M/Sgt. William Haulk and S/Sgt. James Johnson.

High school graduates now between the ages of 19 and 26 are eligible for aviation cadet training, according to Sgt. Haulk.

Northern Illinois Gas Company Names O. E. Fry Assistant General Manager

O. E. Fry, northern division vice-president of the Public Service Company, has been named assistant general commercial manager of the Northern Illinois Gas Company and H. W. Otto has been named to succeed Fry in the Public Service post.

Northern Illinois Gas Company recently took over operation of the gas properties of Public Service Company.

Fry, a 25-year veteran with Public Service has headed the company's northern division for the past 2 1/2 years, prior to which he held a similar position in its western division.

Otto, who joined Public Service in 1926, has been assistant division vice-president of the utility's western division with headquarters at Maywood for the past three years. He will assume his new duties at Northbrook immediately.

Fry's new headquarters will be at the gas company's operating headquarters in Bellwood.

Fry resides in Arlington Heights, Otto in Wheaton.

It Was No Murder!

CAMP LAKE—Human bones, unearthed by a Salem septic tank digger last month at Camp Lake have been identified by authorities as those of an Indian woman, approximately 61 inches tall.

The grisly discovery was made by Robert Wilton, a Salem plumber, while digging a septic tank at Center Woods on Camp lake, near Antioch.

Wilton took the human remains to Dr. C. A. DeWitt in Silver Lake, who turned them over to the Kenosha County coroner. They were then relayed, through the sheriff's office, to the State Crime Laboratory in Madison, where identification was made.

Antioch Rescue Squad Quits Fruitless Hunt For Dead "Baby Body"

The Antioch Rescue Squad has abandoned search for what was originally believed to be the body of a premature baby, sighted floating in Petite Lake near the pier at Pine Resort Monday afternoon.

The object was spotted at 12:30 p. m. by Chester Wisnanski of Chicago, while he was fishing from the pier.

The Chicagoan, who said the object appeared to be the body of a very tiny baby, said it floated against his fishpole, but he was unable to snare it.

The Antioch Rescue Squad and Deputy Sheriff Albert Horsch dragged the lake and searched the shoreline without success. Capt. Herman Holbek said the "object" the Chicagoan spotted might have been an "unusual catfish."

Paddock Lake Smashup Injures Chicago Girl When Boat Bangs Boat

A young Chicago woman suffered severe facial injuries Sunday evening when a boat in which she was riding was rammed by another craft on Paddock lake, several miles north of here in Kenosha county.

The woman, identified as Miss Marcella Schullen, was rushed to Kenosha hospital where she was treated for a severe cut on the upper lip, head bumps, and the loss of two teeth.

Witnesses said the aluminum row boat in which she was a passenger was struck by a power craft towing a water skier.

John Mueller, 29, of Des Plaines, who was driving the 14-foot motorboat equipped with a high powered 25-horse engine, told sheriff's police he was just starting to pull a skier and looked back to see how he was doing. "When I looked forward again, there was the boat in front of me," he said.

Miss Schullen stated that she and a companion were rowing the light boat to the beach when they spotted the motorboat bearing down on them.

"It just swung out and hit us," she explained.

Cops Nab Amorous Anny Who Turns to Be a He; He—She Taken to Jail

TREVOR—An attractive Chicago "widow," wearing a wig and an overabundance of makeup, aroused the suspicions of several male citizens she was chasing in the Wisconsin community just north of Antioch and the sheriff's police were called.

Kenosha Deputies Alfred Oetting and Ernest Oberhofer grew even more suspicious of the "widow," who gave her name as Katherine Smith and said she was 44 years old.

Under further questioning the romantic widow finally admitted "she" was a man, Albert Gentile, of Chicago, who likes to climb into women's garments "when I've had a few drinks."

Trevor residents complained that the Chicagoan, who gave his occupation as an "entertainer," had been over-friendly with men in the community, and was calling them "honey."

Safety Flares Directed At Farm Bureau Meeting

Last Thursday the Board of Directors of the Lake County Farm Bureau voted to promote safety.

It was directed that 20-minute safety flares be ordered and distributed to each Farm Bureau member. This was determined to be sufficient time to successfully change a tire and put the tools away with available light from the flare.

The flares will be available for distribution at a date to be announced, according to Malcolm H. Alexander, director.

THE DEDICATED WORKMAN

Antioch Man Cleared Of Accidental Death By Coroner's Inquest

An Antioch man, injured in a two-car collision that killed a Chicago motorist at Loon Lake and Deep Lake rds. July 28, has been absolved of any blame in the fatal crash.

A coroner's inquest jury meeting in Antioch Friday determined that the mishap, which killed 54-year-old Sidney H. Corenson of Chicago and seriously injured Harold Heinz of rural Antioch, was an accident.

Corenson's car was smashed broadside as it emerged from a blind corner, by the auto driven by Heinz. Heinz suffered a broken arm, possible broken shoulder, and undetermined other injuries.

Deputy Sheriff William Wood, Jr., who was riding along in his squad car and was first at the scene of the crash, lauded the Antioch Rescue Squad for their promptness in assisting him at the scene.

"You never know how much you appreciate those fellows until you really need them," Wood said.

Newport Republicans to Open Fall Season With Words From Van Patten

The Newport Township Republican Club will begin its fall season with a meeting on Sept. 8, at 8 p. m. at the home of Mrs. John Stiehr on Delaney rd., Wadsworth.

The guest speaker will be David Van Patten, Newport Township supervisor, who will discuss township government. This will be the first in a series of meetings scheduled by the club to study the various levels of government.

All Newport Township women are invited to attend. Club members and other interested women who plan to be at the meeting are asked to notify the hostess, Mrs. Stiehr.

September 22 has been set as the date for the subsequent meeting, the time and place will be announced later.

Mother of Antioch Woman Dies After Long Illness

Mrs. Katherine Mary Dowse, 67, of rural Kenosha, the mother of Mrs. T. J. Fossland of Antioch, died Saturday in Lake Forest hospital after a lengthy illness. Funeral services were held on Monday in Kenosha.

Born in Chicago on Feb. 2, 1887, Mrs. Dowse had been a resident of Kenosha county since her marriage to the late John C. Dowse in 1910. She was a member of Kenosha Chapter No. 42, Order of the Eastern Star, and the Messiah White Shrine.

Firemen Still Looking For Old Time Pictures

The past history of the Antioch fire department may go unrecorded, judging from the response Chief Edgar Simonsen has received from his quest for photos of the firemen and their activities.

The department is keeping a record of activities through a photograph album, and members have appealed to citizens who may have pictures of fires of earlier days in the community to contribute them to this permanent record.

Especially wanted are pictures of the Antioch firemen at the \$1,000,000 Zion conflagration last February; and pictures at the pavilion south of the village that burned many years ago.

Chief Simonsen said today, however, that not one person has responded to the fire department's call for help.

Salem Hotel Operator Dies at Age 85; Was Antioch Man's Mother

Mrs. Wilhelmina Jepson, 85, Salem, Wis., died Thursday, Aug. 12, at 1:45 p. m. at the home of her daughter, Mrs. Lyle Woodbury after five weeks of illness. Mrs. Jepson was born December 7, 1869, in Wheatland Township, Wis. She moved to Salem 60 years ago, where she and her husband James operated the Hooker Lake Hotel for 25 years. Mr. Jepson and three children preceded her in death.

Survivors are a son, Louis J. of Antioch, two daughters, Mrs. Ethel Woodbury and Mrs. Josie Irving, both of Salem, four grandchildren and seven great grandchildren.

Funeral services were held at 2 p. m. at the Strang Funeral home, the Rev. Robert Smith, pastor of the Salem Methodist church officiated. Interment was in Salem Mound cemetery.

Schedule Sheriffs' Ball For Next Wednesday Eve

Police Officers from Lake and McHenry county will converge upon the Antioch area next Wednesday—for fun and amusement only.

That is the date of the Lake County Deputy Sheriffs' Association ball, to be held at Four Acts on Channel lake.

William Wood, Jr., president of the group, has announced that dancing will begin at 9 p. m.

Off-duty Waukegan policemen will pinch-hit for deputies that night, so all can have the night off for the dance.

Antioch Recreation Lanes Plan Grand Opening For Saturday Afternoon With Flowers and Fun

Doors of the mammoth new Antioch Recreation bowling lanes, recently constructed on Rte. 173 just west of Rte. 59, across from Smart's Country House, will be opened wide on Saturday afternoon for public inspection.

In addition to containing 12 streamlined alleys, the building houses a smart snack bar and a beautiful cocktail lounge. Roses will be given to the ladies at Saturday's grand opening, and all attending will be eligible for prizes.

Just completed, the new structure is of cement block composition with an attractive brick front.

Owners, who have incorporated their organization, are Carl Gibson, who will manage the alleys; William Keulman, Jr., Dr. A. N. Berke, Emil Hallman, Ed Carney, Elroy Anderson, and Louis Baugh.

Back To School Move At Antioch High Set To Start September 7

Rural Students Will Ride to Their Classes in New \$5500 School Bus

Summer vacation time for Antioch Township High School students is rapidly coming to a close, with the 1954-1955 school term scheduled to convene on Tuesday, Sept. 7.

Students are requested to report to the high school for class assignments on that date, in order to avoid delay and confusion in the operation of the regular schedule, set to start Sept. 8. Students will also pay for their textbooks on the initial reporting day.

All teachers are asked to be on hand one day earlier, for a discussion and orientation session.

Miss Hartley Leaves

Miss May Hartley, mathematics instructor at the high school for the last 10 years, will not be present for this year's opening exercises. Miss Hartley, a resident of this community since 1944, having come here from Aledo, Ill., has announced her resignation. She plans to live with a sister in Albuquerque, N. M.

Students who take the bus to school will be riding in style this year, following an announcement that the Board of Education, at its August meeting, purchased a new 64-passenger bus.

The vehicle was bought from the Ted Keller Chevrolet Co., on its low bid of \$5,549.23, which was \$600 under the next lowest bid.

The school board also awarded contracts for milk supplies for the cafeteria, and for fuel oil for the coming term. Low bidder for milk supplies was the Willow-Dale Dairy, Antioch; and the fuel oil low bidder was the Western Oil and Fuel Co., Chicago.

Continue Insurance

Antioch Township High School athletes will again be covered by accident insurance this year, according to an announcement from the office of Principal Albert Dittman.

The athletic phase of the insurance program will be paid for from the school's athletic fund, and will cover the cost of treatment for accidental injury to any athlete while engaged in sports.

Dittman said that indemnities allowed for certain kinds of injuries under the athletic insurance plan may not pay in full the bill submitted by the doctor and that when the insurance indemnity does not cover the cost of the bill, the parent is obliged to pay the difference.

While the school has no legal obligation in case of accident, the school board felt that the athletes should be given some protection by this service through the athletic department, Dittman said.

Wayward Baseball Scores Finally Find Their Way To Antioch News Office

A postal card mailed on July 8, bearing tidings of the Chain O' Lakes League, has finally reached the Antioch News, thanks to Uncle Sam's rapid postal service.

A rubber-stamp notation on the front of the card bears the explanation: "Missed to Kenilworth, Ill."

Here are the belated results, courtesy of Ronal Polson, league secretary:

Week of July 4 to July 10—Ringwood 8, Wauconda 7; Woodstock 11, Antioch 2.

The standing as of July 8 shows Antioch Moose secure in last place with a won 2, lost 3 record. League standings are Wauconda, won 3 lost 2; Spring Grove, won 2, lost 2; Woodstock 3-3; Ringwood, won 3, lost 4.

Wisconsin State Fair Set to Open Saturday With One Week of Fun

The Wisconsin State Fair will be held at Milwaukee for a one-week period, beginning on Saturday, and ending Aug. 29.

A brand new entertainment package with old-fashioned atmosphere of the original country fair of long ago will be the afternoon grandstand feature on the opening day, highlighting an old-time fiddler's contest, barbershop quartettes, steam engine races, and other novelty acts.

Other features will be the traditional midway with rides and fun for young and old; an old industry display; horse show; harness racing; a farm animal zoo; fur fashion show; arts and crafts exhibits; grand old opey; the Cavalcade of Stars; an industrial apprentices skill show; and motorcycle races.

Turn in Uniforms, Kids

Little Minor Baseball League members are requested to turn in their uniforms to Bob Taylor as soon as possible.

Band Concert Tuesday Drew Several Hundred Despite Water Threat

Rain Stopped at Right Time For Concert to Go on As Planned

Several hundred Antioch music lovers stayed away from their radios and television sets Tuesday evening to enjoy a concert of the Antioch Community Band under the stars.

One of the most varied programs of band music to be presented by the community organization to date, the concert was termed a complete success by those who attended.

Intermittent showers during the afternoon, and almost right up to program time, first made it appear that the concert would not be presented; and a group of guest dancers from a Waukegan studio, scheduled to be featured at the performance, did not show up.

While the crowd in front of the band stand at the village water tower was relatively small, the majority of those attending remained comfortably seated in their cars. Their applause, shown by the sounding of their auto horns, could be heard all the way across town.

Featured soloist from the band was Robert Cain, on the baritone horn, who played "Bride of the Waves." Other band numbers ran the musical gamut from the popular "Big Horn Boogie" to Mozart's classical "Andantino."

Antioch Legion Queen Leaves For Washington For Week-Long Visit

Antioch's Capitol-bound queen, Miss Virginia Runge, who reigned over the American Legion carnival will leave Sunday with her mother, Mrs. E. C. Runge, aboard the Baltimore & Ohio's Limited for Washington, D. C.

They will arrive there Monday morning, and take residence at the Willard Hotel.

Acting as their hostess in Washington will be a member of the American Legion Auxiliary, who will conduct them on tours of the Capitol building, Bureau of Printing and Engraving, FBI headquarters, the Jefferson Memorial, Washington Monument, Lincoln Memorial, Arlington National Cemetery, Tomb of the Unknown Soldier, home of Gen. Robert E. Lee, the Pentagon, Mt. Vernon, and an evening boat trip on the Potomac.

The Rungees will leave Washington Thursday afternoon, and will arrive at their home in Lake Villa Friday morning.

Miss Runge and her mother will be guests of the American Legion on the trip, as Miss Runge's prize for winning the queen title at the 1954 Legion carnival. All expenses will be paid by Antioch Post 748.

High School Gridders Draw Gear Next Week

Candidates for the football squad at Antioch Township High School are reminded that they must make an appointment and receive their physicals at the Antioch Clinic during the week of August 23-26th.

Freshman boys intending to play football this fall are asked to report for their physicals at this time also.

Equipment will be issued from 7 p. m. to 8 p. m. Tuesday, Wednesday, Thursday and Friday, and Saturday morning of next week in the school gym.

Practice will start Monday, August 30th with two work-outs held daily until school starts.

Death Claims a Pioneer Allendale Farm Student

LAKE VILLA—George F. Anderson, one of the first pupils at the Allendale Farm School for Boys at Lake Villa, died late Thursday at Soldiers' Home in Wood, Wis., at the age of 62.

A lifetime member of the Bradley Club, an alumni organization, Mr. Anderson had come to the school in the early 1900's.

Following memorial rites, the early student's ashes were placed at the school.

Little League Annual Picnic

The Little League annual picnic will be held Sunday, Aug. 22 at Fox River Park. This includes all members of Minor, Little and Pony leagues and their families.

There will be games and fun for all ages. Lunch will be pot-luck style. Anyone desiring transportation should meet at the Little League ball park at 11:30 a. m. The picnic begins at 12:30 noon.

Economic Highlights

"Our Miracle of Productivity" is the title of an informational bulletin issued by the Chamber of Commerce of the United States. Its purpose is to briefly describe what our achievements in this field have been in half a century or so, and why they were possible.

The bulletin begins with a statement of belief, in which this is said: "America's steady increase in productivity, constantly raising the standards of living, is far more able to improve the well-being of the nation than any kind of redistribution of existing wealth or income. Our productivity has increased primarily because of incentives possible only in a free economy."

The bulletin defines productivity as "the rate at which we convert work and raw materials into useful goods and services," and emphasizes that it is not the same thing as production. If a man turns out more goods by working longer, he has increased his production obviously enough, but not his productivity. The latter is increased only when a larger output results from the same or a lesser amount of effort.

Today a man can account for about three times as much output, with no more effort, than was possible in 1900. All manner of forces, the bulletin points out, enter into that gain—natural resources, science, invention, competition, managerial talent. So do better machines and tools and processes. So does more highly skilled labor. So does the American genius for selling. Still another very potent force, it observes, "is the profit motive—a powerful economizer as well as stimulant. The profit motive gives everybody incentive to make resources go further. That is its great social significance." Then a little later, it says: "Underlying all of these forces of productivity is human liberty. Liberty to invent, to compete, to profit and to grow. We say this combination of forces is unique in America because of this last factor—human liberty."

The concrete results of American productivity are found in shorter working weeks combined with higher living standards. Endless examples of progress could be cited. The bulletin uses as an example a commodity which almost every family uses—the automobile tire. In 1908 a tire worker earned 40 cents an hour and the cost of a tire which had a life of 2,000 miles was \$35. So an hour's labor would only pay for 23 miles of use of one tire—a prohibitive figure. In 1952, the tire worker earned \$2 an hour, the tire's cost has dropped to \$20.35, and its life had increased to some 30,000 miles. This meant that an hour's work would pay for 2,950 miles of use of a tire—a 128-fold gain.

How can we continue to increase productivity? The bulletin answers that in this fashion: "By maintaining incentive—the hope of reward. The miracle of productivity in this country has sprung from cer-

tain basic institutions. These include privacy of property which allows a man to keep, sell, or give away what he has produced whether it be a bushel of apples or a new idea; freedom of markets from government control or from monopoly so that private initiative can determine how much of what is to be produced, where and when it shall be sold, and at what price; and finally, sanctity of contract."

Grass Roots Opinion

PORT HURON, MICH., TIMES HERALD: "Nobody has a right to damage the confidence of the public in his employer—whether the employer is the public itself or a private firm or individual. And anybody who sidesteps—even legally—questions dealing with his loyalty to his Country invites discharge from his position, whatever it is."

LAFAYETTE, LA., PROGRESS: "The most frequent violator of postal laws is the mail box thief. Some 3,851 persons were caught in 1953 for stealing mail. . . . A woman mail box thief for five months averaged \$100 daily stealing checks from apartment houses. A man stole electric light bills and confronted housewives saying the bills were overdue and current would have to be turned off immediately unless the bills were paid. Before he was caught he collected \$1,500."

PINEVILLE, W. VA., INDEPENDENT-HERALD: "The average American loves freedom and all that it implies, with an almost holy zeal. . . . But no individual has a right to turn his car into a lethal weapon and menace the lives of others."

MEBANE, N. C., ENTERPRISE: "Nearly every reader of this editorial can become a relatively wealthy person if he follows one simple rule. That is to spend less money each week than he makes. Men like Benjamin Franklin and others on down through the years, have become wealthy by following such a rule."

The Low Down From Hickory Grove

You know, wise as we should be after-bargain' in on about 3 and a half wars in far away lands, we should have enough gumption to steer clear of the kind of Govt. they have in those lands where wars germinate. We are now—after all our experience—only a jump and a half or 2 jumps ahead of the same big type Socialism that has flattened western Europe.

In these foreign places the Govt. has elbowed out from private management the railroads, telephones, kilowatts, steel, mining. Big Govt. in these places has kept the noses of their people to the grindstone. Opportunity—in many lands—does not beckon to the young fellow with pep, vinegar and vim. These countries are not now equal to or able to even run their own wars—our own free enterprise U. S. A. must be called in to foot the bills. An oozy kettle of fish.

Now—I say—the voters of our own fair land have got to do more screening of candidates when they next amble down to the voting place. Look at this little group of left handed gentry that has been stalking the U. S. A. Senate—posing as patriots as they promote bigger and broader and more costly and expanding socialistic "projects." One jump and a half—not 2—ahead of a flattened socialist Europe—that is us as we plod our calm way—and never chirp—but should.

Yours with the low down,
JO SERRA

MILLBURN

Regular services at Millburn Congregational church Sunday, Aug. 22, Sunday School at 9:45 and church services at 11 o'clock. Mr. William G. Symons, Methodist lay leader from England will be the guest speaker. Mr. Symons is inspector of factories under the Ministry of Labor in England, and is attending the second assembly of the World Council of Churches in Evanston.

Nineteen from Millburn church attended the Festival of Faith at Silders Field, Chicago, Sunday evening.

Mrs. Linda Coble and William Harris of Franklin Park, Mrs. Emma Anderson, Mr. and Mrs. Wayne Anderson and son, Gerald, and Sam Anderson of Moline, Ill., spent Wednesday at the Kenneth Young home.

Mr. and Mrs. W. C. Upton spent several days with Mr. Upton's brother, Floyd Upton at Burr Oak, Mich., and attended the Upton reunion there on Sunday.

Mr. and Mrs. William Perry and son, Brian, of Detroit, Mich., spent several days with Mrs. Perry's mother, Mrs. Anna Bauman and other relatives at Millburn. Mrs. Bauman accompanied the Perry family home to Michigan Monday for a few weeks' visit.

Mr. and Mrs. Will Corris of Russell were dinner guests at the Will Bonner home Sunday.

The Millburn Maidens 4-H club will hold the annual achievement program at the church Aug. 20 at 8 p. m. The public is invited.

Mr. and Mrs. Clarence Hauser of Paris Corners, Wis., and Mr. and Mrs. Orville Hairrell, Jr., and family of Waukegan were callers at the Frank Hauser home Sunday afternoon.

Mr. and Mrs. Thomas Harness spent the past week with relatives in Indiana.

Mrs. Herbert Messner, who has been a medical patient at Condell hospital the past few weeks, returned home Sunday.

Mrs. Richard Ogger and three children of Kansas City, Mo., are spending two weeks with Mr. and Mrs. Robert Clark.

Mr. and Mrs. Charles Chalfant and three daughters of Villa Park and Guy Johnston of Chicago were guests at the Kenneth Young home Sunday.

Mrs. Eva Alling of Waukegan was a caller at the Frank Edwards home Wednesday evening.

Mrs. Addie Lucas of Wadsworth and Mrs. Ida Truax returned home Sunday after two weeks visit with relatives in Ohio.

Mrs. Donald Holm spent several days with her mother, Mrs. Henry Specht and other relatives in South Bend, Ind.

Mr. and Mrs. Ernest Wells are receiving congratulations on their fifth grandchild, a son born to Mr. and Mrs. Ray Miller in San Matteo, California.

Mr. and Mrs. Chalmers Wooley spent Sunday with Mr. and Mrs. Paul McGaw in Chicago.

Mr. and Mrs. J. Kaluf, Mrs. Frank Edwards and Miss Marian Edwards of Libertyville drove to Highland, Ind., Wednesday to visit the Andrew Wagner family.

Mr. and Mrs. Edwin Denman of District Mutual Insurance Company at Rockford Thursday.

To the 2569 Chicagoland families who'll buy a range this week

SEE WHY 1,300,000 MORE AMERICANS MADE THE SWITCH TO NEW ELECTRIC RANGES LAST YEAR

FULLY AUTOMATIC

FULLY AUTOMATIC—EVEN COOKS WHILE YOU'RE AWAY. The new electric ranges really save you work. They have push-button or dial heat-controls, thermostats to keep temperatures exactly right, and a clock-timer you can literally set and forget. It turns the oven on, does the cooking, then turns the heat off. You get even, uniform heat—perfect cooking results every time.

YOUR KITCHEN STAYS COOLER. When you cook on an electric range heat goes directly from the surface unit to the pan and to the food. No heat or fumes escape around the pan. The oven cooks cool, too, because it's sealed and insulated to keep the heat locked in. You don't waste half the heat you pay for in warming up an already stifling kitchen.

The number of American families who've made the big change to a modern new electric range grows bigger every year. All in all, over 11,450,000 now have electric cooking.

Why is electric cooking growing so fast? A big part of the answer is in the wonderful features and conveniences you see below. Honestly, the new electric ranges have so many good points, we're sorry we can only show a few in this space.

When you make that important trip to choose your new range, be sure to ask for—and see—the exciting new electric ranges.

JUICIER. TASTIER

LESS SHRINKAGE, MORE FLAVOR. With a sealed electric oven, roasts and fowl come out juicier and tastier, yet need no basting. In reduced shrinkage alone, an electric range saves you money on your meat costs. Vegetables cooked the "waterless" way on top units have livelier flavor, more nutrition, since you don't have to pour all the goodness down the drain.

See the dazzling new 1954 electric ranges at your Public Service store or at your dealer's!

...when you own a

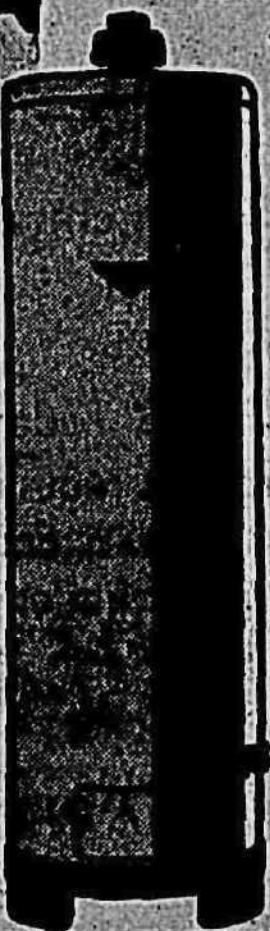

**SPEEDY
GAS**

WATER HEATER!

This is living! As usual, I'm the last one in—and I like scalds of hot water for bathing... I've got the tub filled up to... well, take my word for it, it's brimful of refreshing hot water! But to get down to cases, nothing heats water faster than the speedy GAS flame. Even after my household chores—washing, cleaning, etc.—are done, there's still plenty of hot, really hot water for bathing or a round of family showers. And, because GAS is so fast, we didn't need a bulky, oversized tank either! Economy? You bet! A few pennies a day give us gallon after gallon of instant hot water... and we saved, too, on the low-cost installation.

If you also want to enjoy speedy hot water, economy and convenience... buy an automatic GAS Water Heater now—from your dealer, plumber, or our store.

GAS does it BETTER...for LESS

Library News

Lowell R. Diltzen's book, "Personal Security Through Faith" was presented to the Antioch Township Library by the American Legion Auxiliary, Antioch Post 748, in honor of its gold star members. In 1948, Dr. Diltzen was Exchange Preacher under the Federated Council of Churches of the United States and Great Britain and traveled widely in the British Isles and France. His desire to help modern men with their problems of insecurity prompted the writing of this book.

Occasionally, a book is published that immediately becomes a classic in its field. Such a book is "The Church of Our Fathers" by Toland H. Bainton, which has been revised

just recently. Its pages unfold the fascinating pageant of suffering, intrigue and heroism that made church history from early times to the present. "The Church of Our Fathers" was given to the library in memory of Mrs. Sheridan Burnette.

A handful of patience is worth more than a bushel of brains.

—Dutch proverb.

He that can have patience can have what he will.

—Franklin

The Doctors' Own
Medical-Surgical
Plan

Blue Shield INCREASES BENEFITS AT NO EXTRA COST!

Because this Blue Shield Plan has grown so rapidly... because it is a not-for-profit Plan... because it is operated economically and has had good experience... it is now able to increase benefits for the second time in its history.

What These Increases Mean to You!

If you are a member... or if you become a member... you will NOW receive greater Blue Shield benefits than ever before. These include:

- In-hospital medical care maximums increased from \$180 per calendar year to a possible \$220 in a 70-day period!
- Office surgery added for 16 operations performed in the doctor's office!
- X-ray examinations and pathology benefits extended from a calendar year to 90-day basis!
- Numerous anesthesia allowances increased!
- Allowances for certain operations raised!
- Larger payments for unrelated multiple operations on different parts of body!
- Allowance for emergency accident care in hospital added!

These new benefits are effective with surgery or medical care with hospital admissions on and after August 15, 1954.

How Blue Shield Helps Folks Pay Their Doctor Bills...

More than 1,200 Blue Shield allowances help you meet your doctor's bill for surgical, medical and obstetrical bills. You also may receive Blue Shield benefits under this Plan... when you break a bone... need X-ray or radium treatments... also for shock treatments or allergic skin tests. Blue Shield likewise provides anesthesia allowances when you're given an anesthetic by a physician. Over 950,000 members think it's a mighty fine Plan.

Blue Shield

HICKORY

Mr. and Mrs. Oscar Finkel will
celebrate their 25th (Silver) wed-
ding anniversary at their home on
Sunday, August 22nd, with an Open
House from 1 to 5 in the afternoon
and from 7 to 9 in the evening. They
were married on August 28th.

Mr. and Mrs. Glen Millard of
Whitewater, Wis., flew their private
plane to the Ferris airport Sunday
morning and were dinner guests of
Mr. and Mrs. Wilson King.

Mr. and Mrs. Frank Parks and
two children from Weston, Wyo.,
were guests from Thursday after-
noon until Friday afternoon at the
William Strahan home on Rte. 173.
William Welch, his daughter,
Norma, Mrs. Warren Welch and two
daughters spent Saturday at the
Brookfield zoo.

Mrs. Emmet King and Miss
Norma Welch attended the Festival
of Faith held in Soldiers Field in
Chicago Sunday evening.

Mr. and Mrs. Glen Fox and chil-
dren of Pikeville road attended the
Laursen family picnic and reunion
on Sunday held at the home of Mr.
and Mrs. Ray Laursen at Rosecrans
road. There were 50 relatives pres-
ent.

Wayne and Bob Finkel spent Mon-
day at Champaign.

Mrs. George Handley of Kenosha
and her aunt, Mrs. Lillie Rob-
bins of Chicago visited Mrs. Wil-
bur Hunter and Mrs. Dorothy Van
Patten Friday afternoon.

Mr. and Mrs. Will Thompson,
Mrs. Wilbur Hunter and Mrs.
Harrie Tillotson enjoyed a cruise on
the Walworth excursion boat around
Lake Geneva Wednesday afternoon.

Fred Leable is a medical patient
in the Kenosha hospital.

Sunday dinner guests at the Joe
Sheehan home were Mr. and Mrs.
Donald Birchfield and daughter,
Kathy from Waukegan. Afternoon
callers were Mrs. Sheehan's brother,

Sgt. Gerald Weber who has just re-
turned from Korea, and his fiancée,
Thursday afternoon callers at the
Wm. Strahan home on Rte. 173 were
Mr. and Mrs. R. L. Sloyer from
Largo, Fla., and their granddaughter,
Miss Betty Birky of Russell.

Mr. and Mrs. Will Thompson vis-
ited Mr. and Mrs. George Thompson
in Waukegan Tuesday evening.
Thomas Farms of Lake Villa is
visiting at the home of his wife and
aunt, Mr. and Mrs. Glen Fox.
Asa Patch from Oregon called on
old friends and neighbors around
here last week.

**William Grunewald in
Training Camp at Ft.
Leonard Wood, Mo.**

Pvt. William E. Grunewald, hus-
band of Mrs. Mary Grunewald of
Antioch, recently completed basic
infantry training at Fort Leonard
Wood, Mo., a unit of the 8th Ar-
mored Division.

After induction into the Army at
Ft. Leonard Wood, Mo., he is be-
ing taught the basic elements of
military life, how to defend himself
individually and with a unit, how
to live with other soldiers, basic
infantry techniques, and other fun-
damental facts important to his
success in the military service.

WILLIAM E. GRUNEWALD

processed through the 5045th ASU
Reception Station at Fort Leonard
Wood, where he received his initial
his home station, Pvt. Grunewald
Army clothing, and took the basic
qualification and aptitude tests to
determine his assignment in the
Army after completion of basic
training.

In the first eight weeks, he is be-
ing taught the basic elements of
military life, how to defend himself
individually and with a unit, how
to live with other soldiers, basic
infantry techniques, and other fun-
damental facts important to his
success in the military service.

SOCIETY EVENTS

Miss Betty Terry Is Wed to Mr. Livingston

Miss Betty Terry, daughter of Mr. and Mrs. William F. Terry of Antioch, and Harold R. Livingston, son of Mr. and Mrs. Walter Livingston of Rockford, were united in marriage Saturday in the Methodist church by the Rev. Howard C. Benson of Antioch and the Rev. Sidney Blunquist of Dixon.

Given in marriage in the double ring ceremony by her father, the bride chose a gown of white organza, trimmed at the neck, sleeves and waist with hand embroidered organza flowers and leaves encrusted with tiny pearls. The bouffant skirt trailed slightly in back. Her French illusion fingertip veil was held in place by a Juliet cap of lace, satin and pearls. Her bouquet was white orchids surrounded with lilies of the valley.

Mrs. Clarence Terry Zielski, cousin of the bride was matron of honor, Clarita Greenlee Hacker, Evanston, served as bridesmaid. Both girls wore gowns of flowered organza and carried bouquets of Fiji mums and baby mums.

Roger Ellis of Rockford was best man. Bruce and Paul Livingston, William McNier and Howard Enodie were ushers. Betty Holly of Moline and Betty Quadrelli served as candle lighters, wearing gowns of green organza. The bridegroom's uncle, Younger Livingston sang, accompanied at the organ by Mrs. Mabel Lou Dow.

The bride's mother wore a navy chiffon dress with tucked bodice and full circular skirt. The groom's mother was attired in a dress of medium blue with lace yoke and full gored skirt. Both wore corsages of pink roses and carnations.

A reception for one hundred twenty-five guests was held immediately following the ceremony at Wesley hall. The wedding cake was cut and served by the Misses Jean Fankhauser and Anne Robinson, both of Des Plaines. Others assisting were Mesdames Myrtle Biel, Barbara Wilson and Ruth Seyfarth, Misses Betty Lu Williams, Garnet Seyfarth, Mary Lou Seyfarth, Betty Holley and Betty Quadrelli.

After a honeymoon spent in northern Wisconsin they will be at home to their friends at Shabbona, Ill., after Sept. 1, where Mrs. Livingston is employed as primary teacher in the public school.

Beachwood Subd., Imp. Ass'n. To Hold Benefit Picnic Sunday, August 22nd

Beachwood Subdivision Improvement association, Inc. of Petite Lake will hold its annual benefit picnic Sunday, Aug. 22 at Kemor's Resort, from 2 p. m. till 11 p. m. Lunches will be served. There will be entertainment, candy and gifts for the kiddies. Mr. Joseph Malik is president of the association and Mr. William Perene is chairman of the committee in charge of the affair.

Mr. and Mrs. Harry Bothe and sons Steve and Billy, left for their home in Detroit, Mich., Sunday after spending two weeks visiting Mrs. Bothe's parents, Mr. and Mrs. Irving Elms. The two grandsons, Steve and Billy, were guests of their grandparents for the past five weeks.

Antioch Assembly Entertainers Antioch Assembly No. 23, Order of the Rainbow for girls, will entertain members of the Advisory Board and the Eastern Star and Masonic members on Monday, Aug. 23, at 7:30 p. m.

Mr. and Mrs. Joseph Shiels of Philadelphia, Pa., are spending their vacation in Antioch with Mrs. Shiels' sister, Mrs. George Grunow and family.

Harold Nelson of the Nelson Real Estate will leave Friday to spend the week end in Chicago and plans to attend the reunion of the 11th Port, of the U. S. Army.

Mr. and Mrs. John Pairs Announce Daughter Weds Physician From Dixon

Mr. and Mrs. John Pairs, Sr. of Lake Marie, Antioch, announce the marriage of their daughter, Alexandra to Dr. Samuel Adler, M. D. of Dixon, Illinois on August 10.

Mrs. Adler, for the past three years, was a teacher of music in the Dixon schools. She has a B. M. degree from the American Conservatory of Music, and received her Masters degree from Northwestern University.

Dr. Adler is a practicing physician with a clinic at 911 Brenton Ave., Dixon. The newlyweds spent a few days at the Pairs home at Lake Marie this week.

Auxiliary News

Antioch Unit, American Legion Auxiliary entertained past presidents of the unit at its last meeting. Twelve past presidents were present to enjoy the pot luck supper and entertainment. Each one was presented a gift from the unit in recognition of their past services.

Reports of Delegates
The delegates to the State Convention were present at the meeting to give most interesting reports of business, new and old, transacted at the convention.

Miss Miltzi Wolf, Girl Stater of Antioch Unit, was also present and gave a very interesting account of her week spent in Jacksonville, Ill., in attendance at Girls' State. She was elected treasurer of the city in which she resided during her stay there.

New Members
Five applications for membership were read and voted to be accepted. Anyone eligible to membership in the Auxiliary is invited to join the unit.

Sgt. Gerald Weber arrived at the home of his mother, Mrs. E. Weber in Antioch Saturday evening. He had just returned from 17 months spent in Korea. He expects to be discharged from the armed forces this week.

Mr. and Mrs. Dale Barnstable and children left Friday for their home in Kentucky after spending a few weeks with relatives in Antioch.

Card of Thanks
We wish to express our sincere thanks to all of our friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement in the loss of our dear brother.

GIVE YOUR HOUSE A FALL FACE LIFTING

Fall is the best time to paint!

Your house is probably your most precious possession... a big investment. Protect its beauty, enhance its value with...

Patek self-cleaning WEARPROOF HOUSE PAINT

The highest grade titanium-lead-zinc combination paint for wood and metal surfaces:

- Highest quality ingredients.
- Covers more square feet per gallon.
- Maximum protection from elements.
- Resists mildew, fading, factory fumes.
- Dries to a beautiful luster.
- Gives extra years of wear.
- Saves you money.
- Wide choice of colors.

USE PATEK HOUSE PAINT PRIMER

For new wood or old painted surfaces. Seals the surface and provides proper foundation for succeeding coats. One coat of Patek House Paint Primer and one coat of Patek House Paint gives the equal of the ordinary 3-coat job.

Not a cheap-per-gallon paint, but one of the most economical you can buy, on the basis of cost per year.

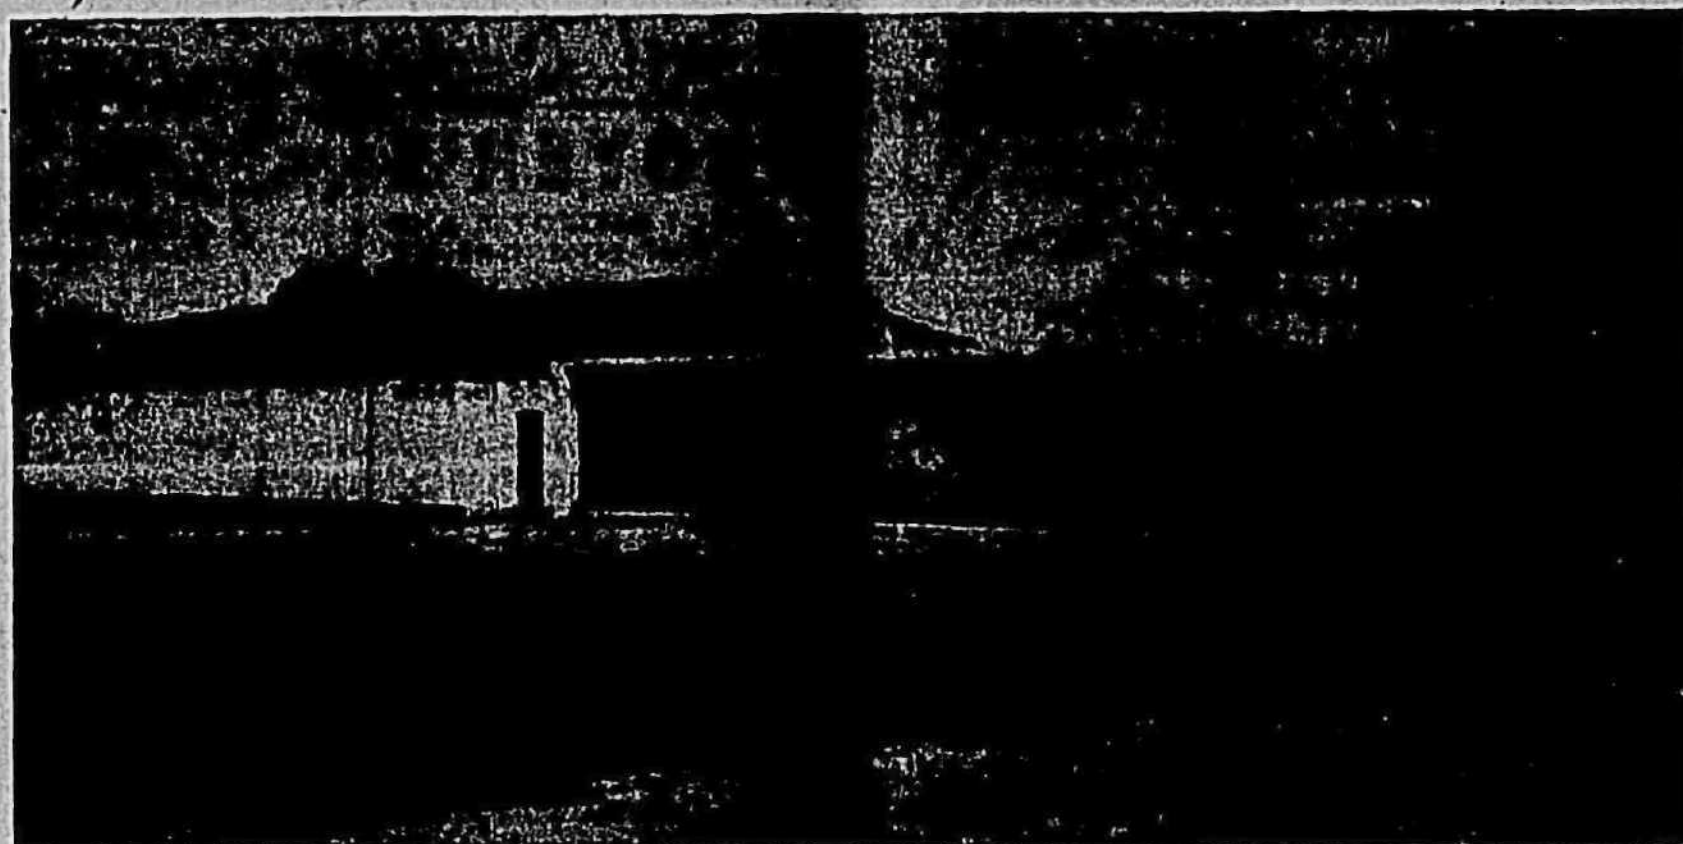

See your local PATEK dealer or your painting contractor.

Buick's biggest hit brings you a 3-way bonus

From stem to stern, Buick today is styled a year ahead—with long, low glamor lines, with the very look of tomorrow, and with that broad panoramic windshield that many other cars won't have till 1955. Equally important, you get in Buick advanced V8 power, big room, luxurious comfort, the famed Million Dollar Ride—and all for prices that start just a few dollars above those of the so-called "low-price three." Is it any wonder, then, that Buick today is outselling all other cars in America except two of these "low-price three"?

Buicks have always had a high trade-in value. But the 1954 Buick has an extra advantage in its year-ahead styling. That means your Buick will stay well up in the style parade for years to come—will stay fresh and new-looking well into the future. So you're bound to be way ahead in actual dollars when trade-in time comes.

Come see for yourself why—

Every month's sales figures this year have firmed this fact: Buick sales are soaring; Buick is outselling all other cars in the nation, regardless of price range, except two of the "low-price three." So with this tremendous volume, we can—and do—offer higher trade-in allowances. Come in, see and drive a new Buick—then check for yourself that our volume business really does mean a far bigger allowance for you.

LAKE VILLA

The Rev. Walter L. Plummer of the Granger Methodist church of Medina, Ohio, was guest minister at the Community church services last Sunday, and he, his wife and two daughters are guests at the parsonage for the first week of the World Council of Churches.

A group from the Community church joined with those from Antioch who went to Chicago on Sunday evening by bus and car for the huge meeting there and enjoyed very the spectacular meeting which was outstanding.

Mrs. Hoch of Chicago is guest of Mr. and Mrs. William Herrold at their home this week.

Mrs. Gertrude Wilson who has been at her cottage at Petite Lake Highlands for several weeks recently broke some small bones in her ankle and is able to get about with a cane. She left this week Thursday for her home in Cleveland, Ohio.

Mr. and Mrs. Vernon Sharp and daughters of Burlington, Wis., came down for the annual Fireman carnival and were guests of Mrs. Sharp's sister, Mrs. Philip Wagner and of her mother, Mrs. Alice Meyer.

Miss Susan Dunbar who recently completed a course in dietetics at a New York hospital visited her grandparents, Mr. and Mrs. C. N. Dunbar at Petite Lake Highlands a few days last week before returning to her duties at the hospital for a year of internship.

Mrs. Virginia Smith of Buena Park has returned from a three weeks visit with her niece, Mrs. Kenneth MacNamar and family at Portage, Wis.

Mrs. Bessie Boyer of Buena Park spent part of last week with her son, Richard Boyer and family, also her daughter, Mrs. Marguerite Janisch at Park Ridge. Mrs. Janisch is leaving this week for a vacation in Nevada. Mrs. Boyer also visited her niece in Lombard, whose eleven year old twins were celebrating their birthday.

Mrs. Charles Kelly visited her husband at a Milwaukee hospital last Friday and found him improving but not ready to come home.

Mr. and Mrs. Paul Avery, Sr., drove to Milwaukee with her.

Mrs. Ruth Schumacher returned to her home at Wonder Lake near McHenry last Friday after spending nearly a week at the Avery, Sr. home.

The weather was ideal for the annual carnival sponsored by the firemen on Sunday and attendance was good on each day in spite of the damp weather on Saturday. The Lake Villa grade school band gave a splendid concert during Sunday afternoon and the water fights each day by firemen groups from the districts drew a great deal of attention. All in all, it was successful and many friends came from a distance to enjoy seeing old friends whom they see only occasionally.

Edward Langbein has enjoyed a two weeks vacation from his work at Johnson Motor Co. in Waukegan and he and his family enjoyed an outing at the Wisconsin Dells one day last week.

The Fish and Wallace families en-

joyed a family picnic last Sunday at Little Sand Lake near Wedge's corners with 88 present and 17 families represented from Lake Villa, Gurnee, Grayslake, Algonquin, Des Plaines and Waukegan. Several were absent because of vacation time.

Mrs. Vera Kerr and son, Jack, also Mrs. George Anderson, all of Bloomington, Ill., came Friday evening and spent the week end with Mrs. Helen Weber, and the George Mitchells came out from Evanston for Saturday and Sunday. Mrs. Guy Simmons of Waukegan was also a guest as was Richard Gamble of Chicago. Miss Sue Weber who is employed in Chicago was home for a short while.

John Hamlin entertained a few boys at an outdoor grill party at his home on Sunday in celebration of his eleventh birthday.

Mr. and Mrs. Joe Petru and Miss Anne Petru of Chicago were guests of their cousin, Mrs. Marie Hamlin over the week end.

FLAT WORK

Be sure you get the best of these big 4

1 price

Take a look at what you pay and what you get. You'll see that Chevrolet has more for you and asks less from you. It's priced below all other lines of cars. Chevrolet builds the most cars—and can build them better to sell for less!

2 economy

What's it going to cost to keep that new car in gasoline? In oil? What about service and repairs? Check into it and you'll find that Chevrolet has the greatest name of all for keeping upkeep costs down over all the miles you drive.

3 performance

Do you want livelier, smoother performance on less gas? Then be sure your new car has modern high-compression power. That's just what Chevrolet gives you—the highest-compression power of any leading low-priced car.

4 appearance

You, of course, are the only one who can decide which car looks the best to you. But you might well consider this: Chevrolet's the only one in the low-price field with the smooth lines and graceful beauty of Body by Fisher.

Other low-priced cars don't offer these advantages. Chevrolet does!

Biggest Brakes

Smoother, safer stops with less pedal pressure! That's what Chevrolet gives you with the largest brakes in the low-price field.

Highest-Compression Power

You get finer performance—and important gasoline savings, too—with the highest-compression power of any leading low-priced car!

Fisher Body Quality

You get smarter, smoother styling—greater comfort, safety and quality—with this only low-priced car with world-famous Body by Fisher.

Safety Plate Glass

No other low-priced car gives you the finer visibility of safety plate glass in windshield and all windows of sedans and coupes!

Famed Knee-Action Ride

Chevrolet gives you the only Utilized Knee-Action on any low-priced car—one important reason for Chevrolet's finer big-car ride!

Full-Length Box-Girder Frame

Only Chevrolet in the low-price field provides the underlying strength and extra protection of a full-length box-girder frame!

Contributions to Lions Club Rescue Squad Fund Beginning to Come in

In response to an appeal sent out by mail some weeks ago, seeking funds for the upkeep and maintenance of the Antioch Rescue Squad, a good many contributions have been received.

The Lions Club Rescue Squad Fund Committee, charged with the responsibility of providing funds for the operations of the squad, reports that contributions have been received a little slower than in former years, but that they have confidence that residents of the area appreciate the value of the squad, and that sufficient money will be forthcoming to insure that the squad will not want for needed equipment.

It is planned that a substantial reduction of the mortgage on the squad building can be made this year, if residents continue to support the squad as in past years.

A list of early donors follows: Mr. and Mrs. Fred Scott, A. C. Atwell, St. Cyr Products, Wm. R. Gray, Calvin F. Harden, James J. Marotta, Lester Nelson, R. B. Jones, Carl Anderson, Gertrude Flint, W.

E. Cooper, Mrs. P. A. Erickson, Roy T. Hyre, George Smith, Leslie Hanke, E. A. Knickelbein, Hazel Hawkins, Antioch Servicenter, John Baranski, Cross Lake Imp. Ass'n., Dorothy J. Tague, Frank Maloney, John L. Fenn, Joe Swanson, Stanley's Oakland Resort.

O. E. Swan, Edward J. Kugel, Mizpole Bible Class, D. H. Leable, Mrs. R. F. Delrick, Ellen Stoffel, Arthur C. Andersen, Maude E. Helms, Colony House, Grass Lake Lumber Co., Dick's Bike Shop, Clarence Crowley, Raymond B. Jones, Rudolph Schlegel, Clarence A. Reed, Wm. Schmitt, Henry Cook, Antioch H. S. Faculty, Joseph Pachey, Gerome Cody, Robert Griffin, Antioch Packing House, R. G. Hughes.

Baseball Training Camp Slated for St. Charles By Southern Assn. Team

Young Antioch men aspiring to a career in professional baseball can take a fling at the big time simply by showing up at Camp St. Charles on Saturday or Sunday.

The Atlanta Crackers of the Southern Association of Baseball Clubs will hold a two-day tryout

at St. Charles from 10 a. m. to 4:30 p. m. on both days, under the direction of Jim Konofsky.

The camp will be open to all youths 17 years or older, except American Legion players, who must obtain written consent from their coaches, commanders, or posts, Konofsky said.

Young Scout Returns Home

Jackie Stieber of Felter's Subdivision, a member of Boy Scouts of America Troop 91, has returned from a two-weeks camping trip at Camp Ma-Ka-Ja-Wan, Pearson, Wis. He reported a "jam packed" good time, and said he passed several Boy Scout tests. Highlights of the camping trip were good food, new friends, and washing his own clothes, according to Jackie.

Lakeland Thespians Name Play

The Lakeland Players have selected "Over 21" as the play they will present this fall, under the sponsorship of the Antioch Moose Club. The membership went in a group last night to see "Bell, Book and Candle."
